

Auto Damage Appraiser Supervisor - 5 yrs appraisal experience, MUST have MA and RI appraiser license

Job description

Metropolitan Appraisal Services is an Independent Auto damage appraisal firm that is growing. We are currently in need of a Supervisor to manage our licensed auto damage appraisers.

Candidates must live in MA or RI. Job may require occasional travel in MA or RI to do a supervisory location inspection. Main responsibility will be to review all appraisers completed files for accuracy and to ensure carrier and state guidelines have been met, as well as send completed files to carriers.

Requirements (non-negotiable):

- Minimum of 5 years experience in the auto body or insurance appraisal field
- **Must be licensed to appraise auto claims in both MA and RI**
- Must have working knowledge of CCC One and Audatex estimating systems
- Must know how to use Excel and Word
- A Windows laptop
- A cell phone

Appraiser Supervisor will be provided with remote access to our estimating systems, CCC and Audatex, and our appraisal management system Apptrak.

Qualified candidates will be required to review a test claim at the first interview.

About us:

Joining our team is a plan to grow with the company and work with and learn from staff that has been with the company for over 20 years.

We represent large carriers, municipal fleet service providers and specialty carriers. You will be trained in writing claims on everything from standard autos, complicated police and fire vehicle, heavy equipment, marine vessels, and specialized equipment.

Job Type: Full-time

Pay: From \$52,000.00 per year

Work Location: Remote, with occasional travel within MA/RI
